	Summer Term		2009			
25	Monday	Online Safety	5 th May	9.30	Safe Online	This activity aims to introduce children to the need to keep themselves safe on the net. As the activity unfolds there are a number of points where participants can be encouraged to think about the issues that are raised.
26	Friday	Safe Environments	15 th May	11.00	Transition	This is an activity that is aimed at Year 6 pupils who are soon to move on to Secondary school and who may have some concern about some of the issues it might involve. In this online situation they are going to take on the role of an investigation as police officers into some events where older Secondary pupils are pressurising younger pupils to do something they know is wrong and that they do not want to do.
27	Monday	Online Safety	18 th May	13.30	Social Networking	This is an activity exploring some of the issues around using social networking sites on the Internet such as Bebo, MySpace and Facebook. Using a fictional site called 'MyBo' the scenario gives pupils the chance to think about safeguarding their identity, how to use pictures and videos responsibly, and online bullying.
28	Monday	Safe Environments	1 st June	9.30	Countryside safety	More and more people are using the countryside in their spare time, some people go walking, others going bike riding, some climb rocks and others use boats on rivers. The countryside is a place increasingly used for fun, but it is also a place where many people work to grow the food we eat and other businesses. We might not think it, but it is a place where there are many dangers. For some people it is also a place where they can steal and do damage
29	Tuesday	Online Safety	9 th June	11.00	Chat Safe	Keeping ourselves safe online is essential for us all; this activity highlights some of the issues by giving pupils the chance to see if they think the safety of others is at risk.

30	Friday	Community Issues	12 th June	13.30	Missing	Two children are not where they said they would be and the police are called in to find them, are they safe? Can you help in the race against time to find them safe and well?
31	Monday	Bullying	15 th June	9.30	Bullying	The pupil's role in this EngageLive activity is that of a student advisor of the Huntingbridge High School Anti Bullying Club.
32	Thursday	Safe Environments	18 th June	13.30	Water Safety	A series accidents on the river last summer means that Operation Splash is set to stop it happening again. Can you take charge and stop people getting into trouble on the water?
33	Monday	Online Safety	22 nd June	09.30	Safe Online	This activity aims to introduce children to the need to keep themselves safe on the net. As the activity unfolds there are a number of points where participants can be encouraged to think about the issues that are raised.
34	Friday	Safe Environments	26 th June	9.30	Transition	This is an activity that is aimed at Year 6 pupils who are soon to move on to Secondary school and who may have some concern about some of the issues it might involve. In this online situation they are going to take on the role of an investigation as police officers into some events where older Secondary pupils are pressuring younger pupils to do something they know is wrong and that they do not want to do.
35	Monday	Online Safety	29 th June	11.00	Social Networking	This is an activity exploring some of the issues around using social networking sites on the Internet such as Bebo, MySpace and Facebook. Using a fictional site called 'MyBo' the scenario gives pupils the chance to think about safeguarding their identity, how to use pictures and videos responsibly, and online bullying.

36	Friday	Personal Safety	3 rd July	13.30	Safe Cycling	As members of the Huntingbridge High School Cycling Club, you are helping with the safer cycling course. In this session younger pupils are going to be tested on their knowledge of safe cycling and you have to make sure the answers they give are correct. A trained Instructor is online to advise you if you need help
